Book Study 8 - SMPC Mens Book Study Series

"The Great Divorce" - C.S. Lewis

Overview and approach: Book contains a preface and 14 short chapters. It is about a dream that the narrator has depicting people in heaven or in hell. Those in hell have the "opportunity" to to choose heaven. You will read that there are various "reasons" why people do not choose heaven. We will explore some of the evident "non-Reformed" or even unbiblical viewpoints/portrayals but also key in on why people avoid or do not choose Heaven. Given the paralells to repentance, how can we use these "nuggets" in discipling or contending with others?
