Message From Our President

"Who put the breath in my lungs? Who calls us daughters and sons?

All praise goes to just one: God did it! God did it! Who raised me up from that grave? Who's always making a way?

Let me hear the whole church say: God did it! God did it!"

At our Fall Kick Off, we heard these rousing words ("God did it!" by Micah Tyler) ringing out from the mouths of the ladies who were visiting us from Hoving Home. Their stirring testimonies reminded us that God is the Author of life and the only One who can create new life in our cold, hard hearts. Praise God for the work He has done and is continuing to do in His people!

Our Women's Ministry events are well-underway for the year, and we look forward to many more sweet opportunities for fellowship, learning, and growing together. Come join us at one of our weekly Bible studies as we study the book of Acts and learn how the early Church rested in Christ's work as they saw the Gospel spread throughout the world by the work of the Holy Spirit. God did it!

What's incredible to consider is that even now, God invites His people's participation in His Kingdom work, especially in our relationships with our family – whether biological or spiritual. Yes, He is the One doing the work, and yet He grants us the dignity of being involved in His work! The notes of encouragement you write, the meals you prepare, the gift baskets you contribute to, the hug you give, the prayers you offer up on behalf of hurting, grieving, weary sisters… these are all very real ways in which God works in our own hearts and also works in the lives of others. "Let us not grow weary of doing good, for in due season we will reap, if we do not give up" (Galatians 6:9). God is doing it!

On a personal note, my husband's job with the Air Force has provided an unexpected opportunity for our family to travel to Europe this Fall and live there until the Spring. Talk about needing to rest in God's sovereign work! There have already been so many ways that we have seen God making ways through where my sinful, fearful heart and mind could only see roadblocks and pitfalls. Although this unfortunately means that I will need to step away from my role as Women's Council President, I trust that God will continue to make the way plain for those who are continuing the work here at Spring Meadows. We will miss our Spring Meadows family while we are away, but I look forward with great anticipation to seeing and hearing about the unexpected ways that God will continue to work in all our lives in the coming year: God will do it!

Resting in Christ,

Rachael R.

Growing Together in God's Word

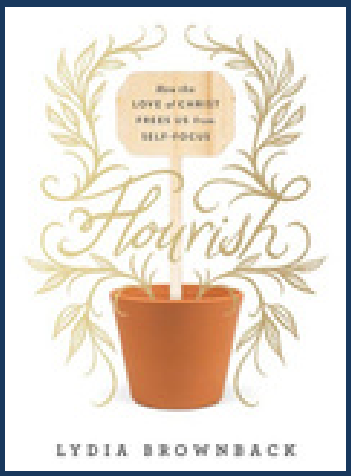

Our women's Bible studies are underway! We're grateful for the women gathering throughout the week to study God's Word, grow in their faith, and encourage one another.

Here's a glimpse of our Wednesday, Thursday, and Friday groups as we journey through the book of Acts together.

We'd love for you to join us! There's always room for more women to grow in God's Word and enjoy fellowship together.

Women's Library

Winter Book Feature: Flourish: How the Love of Christ Frees Us from Self-Focus by Lydia Brownback

This winter, discover how the love of Christ frees us from self-focus and helps us grow in Christlikeness.

Look for our rolling book cart in the main room each Sunday to browse this featured title and other books from the women's library.

Just sign it out on the clipboard and return it when you're finished.
